MY FAVORITE COUNSELOR IS...

is an excellent counselor. I am a boy so I can't be in her section, but all I hear about her is compliments. I also know she is a good counselor because she is a good instructor for the Color Guard. She is just patient enough so that we are not tense, but she is also strict enough that we accomplish our daily goals. I think is a skilled and beautiful teacher that deserves some things for all that she does!

- DELTA, HOTEL

is the coolest person. He understands people and their problems. He is really funny and just a nice guy.

- JULIET

, WOW! Each time I go to an activity and see his bright, beautiful smiling face, I know that I am going to have a great time. Even though I don't have a lot of interaction with him, I can tell that he is a well liked counselor. His character shows that he loves being around the campers. personality is one of the best ones ever! Overall, he is a gorgeous man, having a great time. I think that is wonderful!

- JULIET

is a counselor in Hotel. He keeps us in line when we are marching and eating at mess. He is a very mysterious guy and doesn’t talk much. He likes to hang out and have fun!

- HOTEL

My favorite counselor is because she is like a mom to me. She is like a mom because she cares about me and my friends. is also very talented because she has fun with you, laughs with you and tries to make everything fun. But the BEST part about is that she always has a smile on her face.

- JULIET

is my favorite counselor. I like all the counselors, but is THE BEST! He really shows appreciation when we win at intramurals and room inspection. He also encourages us to try harder and to do our best. He never puts us down and he treats everyone as equals.

- DELTA

I think , Head Section Counselor for Juliet section, should receive the "Best Counselor Award." is a cadet at The Citadel and teaches our section very important life lessons. She sets very high standards for our section, helping us become the dominating section. Even on her days off, is with us, encouraging us in sports. All of the campers have a lot of respect for her; as a counselor and as a friend!

- JULIET

Of all of my counselors over three years of summer camp, has been my favorite. This is my last year and I look up to my counselors as role models. Next year, I will be a CIT and I hope to be a good one that campers look up to. I want future campers to admire as I admire . Her attitude is completely focused and calm. She is always understanding and just stern enough that campers like her AND obey her orders. As a future counselor, I hope to be like and have my campers WANT to be good! Thank you !

- JULIET

Out of all of the counselors here, is, in my opinion, tough and fair. He is very tough when it comes to marching and getting Mark Clark Award points for it. He is also easy to get along with. He is not too tough, but can be when needed. He is very picky about uniforms and marching. is very good at keeping us out of trouble and he is a very good counselor.

RETREAT
by JULIET

Every day before dinner, each section marches out to the parade field to retreat the American Flag. A small cannon is activated by a camper and everyone is called to attention. Each section salutes the flag as it is lowered from the pole. Throughout Retreat, each section tries to march together and look their best. The staff members evaluate each section on their formation and marching skills. At dinner they announce the winners of the graded performance. Retreat is a good way of reflecting a section’s performance while paying respects to our country.

LEADERSHIP
by INDIA

What makes good leadership?...Looks? Brains? I think what makes a good leader is self-confidence and the desire to succeed. To be a good leader, you have to be able to follow others. In a time of crisis, a good leader does not panic. He or she thinks then tries to solve the problem. Being able to see both sides in an argument is another good sign of leadership. Always remember to follow you heart and listen to others.

FRIENDS FOREVER
by JULIET

This is my last year at The Citadel Summer Camp. For three years I have watched friendships bond between people from all over. Playing sports, eating, and sleeping with other campers forms a tie that can’t be broken. I have kept in touch over the years with people that did and did not come back. I have loved making friends with people completely different than me. Over time, I hope to stay friends with everyone and keep that special friendship that was made because of

THE BEACH TRIP
by

After all of the other companies marched out for afternoon activities, Hotel and Golf got on two busses for a trip to The Citadel Beach House. When we got to the beach, there was a bathroom where we changed into our bathing suits. After changing, it was time to swim. We all ran out to the beach, jumped over the breaking waves and started to play around. The current was very strong at the time so we had to stay in shallow water. After a while, said the ocean was getting to wild and that we had to get out. Shortly after getting up to the beach house, a "slip and slide" was set-up. We put baby shampoo on the mat to make it slippery when we slid on the surface. Later that afternoon, a buffet of hamburgers, chips and cookies was laid out on several tables. We had a great dinner, told some jokes and shot some games of pool. On the way back, we listened to good music and most people took a small nap. Overall, I would say the beach trip was a success...two thumbs up!
TRIBAL DANCE
by [Name], HOTEL

My name is [Name]. This is my 6th year at The Citadel Summer Camp. This year was unique, we had a tribe of Boy Scouts come and preform Indian dances for us. The tribe was very interesting and the performance took lots of practice and determination. The Camp should feel very privileged because they came all the way from [Location].

JULIET SISTERHOOD
by [Name], JULIET

This is my third and last year of being a camper at The Citadel Summer Camp. The main thing that made me come back each year was the friendship and love within my section, Juliet. In Juliet this year, there are 27 girls. Each one of these girls will always have a place in my heart for the rest of my life. Having this experience with these girls each summer has shaped my character and disposition. I just wanted to thank Juliet for making my last year, and the years before, unforgettable. I love you!

SCOTISH PRIDE
by [Name], HOTEL

Hotel camper [Name] is best known around camp as “Pipes” for his talent of playing the bagpipes. The bagpipes, also called Scottish War Pipes are use in Scottish wars. They originated in the Middle Eastern part of the world and migrated to Scotland. Now days, the bagpipes are the main instrument in Scotland.

Bagpipes have different parts. They are made from African Black Wood, a very strong type of wood. The bag can be made of either gore-tex, cowhide, or sheep stomach.

[Name] is the camper that plays the bagpipes. It took him about 10 months to learn how to play it. Currently, he has been playing for 2 1/2 years. He can play popular songs such as Scotland the Brave, Amazing Grace, The Marine Corps Hymn, and America the Beautiful. [Name] plays his pipes at intramural games, during marching, and for the Variety Show. [Name] is also 75% Scottish, so his skills at the bagpipes and his knowledge of them really impresses everyone. So, if you saw or heard bagpipes at the Graduation, just know that it is the man that holds the pride of Scotland here at this camp, [Name].
MEMORIES
by JULIET

This is the best camp ever! This is my 5th year, but not my last. People come and people go, but you will always remember the fun you had with them. As I see the familiar faces, I look back and think of all the memories. There is only one other girl that has been here with me every session and now she is the first girl six-year camper. She and I have had many memories that I will not forget. As we stand on a line getting ready to get our pins, I will look at her and smile.

THREE WEEKS OF CAMP
by DELTA

I always wonder in the first week of camp if I will be back next year because the first week is so hard. The second week, it gets easier. Everyone starts to get into the groove of things. The third week keeps me coming back. It is so much fun and is the best week of my life and I hope it stays that way!

MY FAVORITE COUNSELOR IS...

...is one of the F-Troop counselors and is probably the strictest counselors, but he is still one of my favorites. He’s the one that I joke around with the most. He’s not from the United States so when he talks, I crack up at some of the way he says some of his words. He likes to have fun, but when we do bad things, he punishes us like he should. He is one of the best counselors here at The Citadel.

- F-Troop

...is our Assistant Senior Counselor. Some people might think... is mean, but personally I think he is cool. When he is mean, I think we just make him mean because we are probably late to formation or we do something real wrong. I know... will have a lot of fun with us if we simply follow the rules. If all the campers pay attention and do as he tells us, then everyone will be cool.

- CHARLIE

...is the best counselor! He is always there to talk to and to be your friend. He is friendly to everyone and he really knows how to make Camp fun. He is great in everything he does and I really look up to him!

- HOTEL

I would have to say... because he is nice to me almost everyday. When I am feeling under the weather, he always cheers me up.

- INDIA

My favorite counselor is... He is nice when you’re good but can be mean if you get on his bad side. He treats everyone fair. He has a Citadel Cadet background and knows what he is doing. That is why... is my favorite counselor.

- CHARLIE

...is one of the coolest counselors in the entire Camp. She is really funny and is a nice person. Her favorite team in sports are the Florida Gators. She loves basketball and is a Citadel Cadet. I am her “mini-me” because we are a lot alike. ... is real cool!

- INDIA

My favorite counselor by far is... ! He is very laid back and fun-loving. He isn’t all nice and good though, he is still strict enough to keep us in line. Also, he enjoys communicating and connecting with the Charlie boyz!

...loves playing the guitar and always invites us to hear a new song or tune that he had recently come up with. He is very inventive and comes up with interesting fun things to do and interesting punishments. ... is very athletic and fools around with all the kids in our section. He is always up for a race!

- CHARLIE

My favorite counselor is... He is one of my counselors so I see him more, but he is really cool. I like him because he spends a lot of time with us and is very friendly. He also plays with me sometimes and he is funny. I hope you think he is cool too.

SPORTS AT CAMP

Most campers at this camp enjoy the different variety of sports. Some of the sports here I've never even heard of. Team Handball was a completely new sport to me when I was a first year camper. It is a mixture of soccer, basketball, and flag football. The way I got better was by practicing in soccer, football, and basketball. For those were the sports I knew how to play. When I combined my skills from each one of those sports, I became a master of Team Handball.

Here at Camp, there is no way that you can be bad at all of the sports. Everyone is good at something! Take me, for instance. I stink at football. I can't throw. I can't catch. I can barely run fast and I hate contact sports because I'm smaller than a lot of people my age. Everyone laughed at how bad I was at flag football. But when it came to air-rifle, even the biggest guys were stunned at how good I was. I just laughed right back.

The lesson I learned in all of this is to practice and find your strengths and have a great summer!

MESS HALL FOOD

The Mess Hall food is quite good. At first when I came here I thought the food wasn't going to be all that good so I was starving a little bit. I got so hungry that I ate some of the food. It was pretty good. Better than I expected. So from this day on I was eating mess food like crazy.

SUNDAYS AT CAMP

Sundays are the days we go to chapel, sing songs and pray. Chapel is really cool. The priest is really nice and friendly. I love this chapel. I hope you like it too.
BROTHERS

How far have we come!

Only we can tell the stories that bind us.

To say it's been a rocky road would be an understatement.

Eventually the road evened out,

Leaving us atop a great mountain,

The world at our feet.

-**HOTEL**

MURRAY BARRACKS

We stayed in Murray Barracks for the 2002 Citadel Summer Camp! It has two basketball hoops, a tether ball pole, and walls to play Wallball. It was recently constructed, built in 1996. Murray Barracks in my opinion, is the best barracks we have stayed in yet!

-**CHARLIE**

ROOM INSPECTIONS

Room Inspections occur everyday except on Sundays. On inspection days, we have 35 minutes after breakfast to clean our rooms. We are graded on how our beds are made and the cleanliness of the full perrls, half press, floors and sink. Each room in the section gets a grade from 0 to 6 and the section with the most points wins for the day. Room Inspection results are announced each day at lunch.

-**ECHO**

6th YEAR CAMPER CADET

As a 6th year camper, I feel I have given my life an adrenaline push by coming to this Camp. It has taught me the values of life and dedication towards my family and friends.

Throughout these years I have used everything I was taught at The Citadel Summer Camp. Learning the Cadet Creed and applying it to my everyday life. These years have given me the opportunity to meet new friends, play sports, and live a life as a camper-cadet.

-**HOTEL**

THROUGH THE YEARS

As I look around I see many familiar faces. Two of my section mates were with me my first year at camp when we were in Alpha section. Countless others have been with me in previous years and I have seen innumerable campers and counselors come in and out of my life. In total, I have spent six summers here.

Back when I was in Alpha, Bravo, and Charlie, we had no air conditioning in our barracks. In Alpha, there were no girls at the Camp. In the years since, both India and Juliet sections have developed, grown, and prospered.

I now know that I have done the impossible, attained the unattainable, and reached the zenith of the mountain of The Citadel Summer Camp. I have won a Mark Clark Award and a Senior Counselor Award. Now, as my final year draws to a bright and beautiful close, I stand at my final retreat, saluting that same flag that fluttered those ages ago at my first retreat. I stand with my brother in the enviable position that is HOTEL!

-**HOTEL**

MARCHING COMPETITIONS

Now in our last week of Camp, the Staff has suddenly occasionally skipped room inspection grading and started grading sections on marching to and from flag retreat ceremonies. This means a lot to counselors and to our country, especially after the towers. It is very rude and disturbing when people slack off during Retreat. You should really try hard. Great efforts = great results!

-**INDIA**
MEETING NEW PEOPLE

A good way to meet new people is to go to The Citadel Summer Camp. You can meet new boys, new girls, and new grown-ups. For example this is my second year at camp and I have new friends and I have old friends I met last year. This year is awesome!

THE BLUE SHIRT PEOPLE

The people in blue uniform shirts are the Camp staff, which usually means that they are in charge. Most of them are strict, but [REDACTED] is a very nice guy to be the Senior Counselor. When you do something bad, you will be sent to one of them. When they play around, they are really cool. But when they need to be strict, they are very serious. That’s who the people in the blue shirts are.

SPRIT BANNERS

During Camp, all of the sections make a “Spirit Banner.” The banners are big sheets and each section paints something on them that has to do with the theme of their section. This year, India section did a big “T” for the background and in the middle we painted the country of India, then inside of the country of India, we had the words “Independent Women” written in Latin. We also had a huge paint fight and everyone was covered from head to toe in blue, green, yellow, orange and red paint. It was so much fun! I love the spirit signs!

SPORTS and TRIPS

There is a wide variety of sports at The Citadel Summer Camp. Each day there is something different. On Sundays, there are special sports stuff you only do once while you are here. Dodgeball, Big Ball Soccer games, frisbee, kickball and more. All of the sports are great. The different trips also make the Camp neat. Once a week we take a trip. We go to a baseball game, the beach and water skiing. You never want to miss out on a trip, even if you are sick.

AWARDS

At the Citadel Summer Camp at the end at Graduation Ceremonies, they give out awards. There are four major awards. 1st Honor Graduate and 2nd Honor Graduates are awarded to the person who have the most Mark Clark points in the whole Camp. The Mark Clark Award is an award for the outstanding campers who are good at sports. Five to seven people in each section can win it. The Senior Counselor Award goes to one person in each section. This goes to the person who has helped the section the most and is trusted by the section.

The Citadel Summer Camp
JC AND CIT CODE OF CONDUCT

Junior Counselors (JCs) and Counselors in Training (CITs) must always remember that they are role models and mentors to the hundreds of boys and girls that attend the Camp each year. JCs and CITs are no longer campers and are expected to continuously demonstrate maturity well beyond that expected from the oldest campers.

PRIVATE VEHICLES will be permitted on campus when approved by parents/legal guardians. Once you have reported to work, you must register your vehicle with The Citadel’s Department of Public Safety, through the Camp Office. Possession and use of a vehicle are privileges and are revocable at any time. All off-campus travel must be requested in advance and approved by the Director. Approved travel must be within a 15 mile radius of The Citadel campus, unless specific exceptions are requested by parents/legal guardians and approved by the Director. NOTE: Prior to arrival, all employees under the age of 18 will be required to submit the “Private Vehicle Approval/Off Campus Travel Authorization” form (to be sent with Counselor Handbook).

CURFEW: The nightly curfew for all JCs and CITs is 11:00 p.m. unless specific exceptions are approved in advance by the Directors. All JCs and CITs are required to be in the barracks by this time and will be required to sign in with the Staff Duty Officer each night.

WHILE ON CAMPUS, JCs AND CITs WILL COMPLY WITH THE FOLLOWING REGULATIONS:

1. Use of tobacco, alcohol, and/or drugs, in any form, is prohibited.
2. Camp personnel will not use profanity or make any obscene remarks or gestures.
3. Camp personnel will never use force when disciplining a camper. Campers are not cadets; they are 10 to 15 year old campers!
4. While on campus, there will be limited interaction between summer school students and camp personnel
   - Camp personnel will have no direct contact with Summer School students other than casual meeting encounters.
   - Summer School students and Camp personnel are not permitted to visit each others living area/rooms, unless on official business and registered with the guard at the gate.
5. Sexual activity, in any form, with any person is prohibited while on campus. “Sexual activity” includes kissing, fondling, sexual intercourse.
6. Male personnel and campers may NOT visit the girls’ living areas at any time unless specifically authorized.
7. Female personnel and campers may NOT visit the boys’ living areas at any time unless specifically authorized.
8. Counselors must read and abide by procedures set forth in the Counselor Handbook.

Violation of any of the above policies will result in immediate dismissal.

I, ___________________________ understand and accept the policies listed above. I realize that I am a role model to the campers of The Citadel Summer Camp and I will make every effort to act accordingly. I feel I am capable of meeting these standards and agree to follow them at all times while employed by The Citadel Summer Camp.

EMPLOYEE'S CERTIFICATION

South Carolina State law prohibits State employment to persons who have willfully defaulted on student loans. Accordingly, all members of the faculty and staff employed at The Citadel, and applicants for employment, are required to complete the following certification.

Check one:

☐ I certify that I am not in default of any of the following types of loans:

- National Direct Student Loan
- National Defense Student Loan
- Guaranteed-Federally Insured Student Loan
- Nursing Student Loan
- Health Professions Student Loan
- Law Enforcement Educational Loan

I understand that defaulting on such loans will preclude my continued or future employment with the South Carolina State Government unless I voluntarily enter into an agreement after default in which terms the debt will be repaid and the lender provides written confirmation of the agreement to the State. I will inform The Citadel Human Resources Department in writing of any future defaults on these types of loans.

☐ I am currently in default on one or more of the above loans and I will contact The Citadel Human Resources Department within three days of signing this statement in order to determine a deadline by which I must present written confirmation of an after default agreement to The Citadel Human Resources Department.

I understand that my failure to contact The Citadel Human Resources Department by the deadline will result in termination of my employment.

Form W-4 (2004)

Purpose: Complete Form W-4 so that your employer can withhold the correct Federal income tax from your pay. Because your tax situation may change, you may want to refigure your withholding each year.

Exemption from withholding: If you are exempt, complete only lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2004 expires February 16, 2005. See Pub. 466, Tax Withholding and Estimated Tax.

Notes: You cannot claim exemption from withholding if: (a) your income exceeds $980 and includes more than $250 of unearned income (e.g., interest and dividends) and (b) another person can claim you as a dependent on their tax return.

Basic instructions: If you are not exempt, complete the Personal Allowances Worksheet below. The worksheets on page 2 adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earner/two-job situations. Complete all worksheets that apply. However, you may claim fewer (or zero) allowances.

Head of household: Generally, you may claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See line 2 below.

Tax credits: You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the Personal Allowances Worksheet below. See Pub. 919, How Do I Adjust My Tax Withholding? for information on converting your other credits into withholding allowances.

Nonwage income: If you have a large amount of nonwage income, such as interest or dividends,

consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax.

Two earners/two jobs: If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the form W-4 for the highest paying job and zero allowances are claimed on the others.

Nonresident alien: If you are a nonresident alien, see the Instructions for Form 8233 before completing this Form W-4.

Check your withholding. After your Form W-4 takes effect, use Pub. 919 to see how the dollar amount you are having withheld compares to your projected total tax for 2004. See Pub. 919, especially if your earnings exceed $125,000 (Single) or $175,000 (Married).

Recent name change: If your name on line 1 differs from that shown on your social security card, call 1-800-772-1213 to initiate a name change and obtain a social security card showing your correct name.

Personal Allowances Worksheet (Keep for your records)

A Enter "1" for yourself if no one else can claim you as a dependent. 

B Enter "1" if:

  - You are single and have only one job;
  - You are married, have only one job, and your spouse does not work; or
  - Your wages from a second job or your spouse's wages (or the total of both) are $1,000 or less.

C Enter "1" for your spouse. But, you may choose to enter "0" if you are married and have either a working spouse or more than one job. (Entering "0" may help you avoid having too little tax withheld.)

D Enter number of dependents (other than your spouse or yourself) you will claim on your tax return.

E Enter "1" if you will file as head of household on your tax return (see conditions under Head of household above).

F Enter "1" if you have at least $1,500 of child or dependent care expenses for which you plan to claim a credit.

G Child Tax Credit (including additional child tax credit):

  - If your total income will be less than $52,000 ($77,000 if married), enter "2" for each eligible child.
  - If your total income will be between $52,000 and $84,000 ($77,000 and $118,000 if married), enter "1" for each eligible child plus "1" additional if you have four or more eligible children.

H Add lines A through G and enter total here. Note: This may be different from the number of exemptions you claim on your tax return.

For accuracy, complete all worksheets that apply.

Cut here and give Form W-4 to your employer. Keep the top part for your records.

Employee's Withholding Allowance Certificate

Your employer must send a copy of this form to the IRS. (a) If you claim more than 10 allowances or (b) you claim "Exempt" and your wages are normally more than $200 per week.

Bill,

Not a problem...will send you a check for $150.00 in the morning. It's always a good thing to give good old El Cid money. Thanks for everything...I can truly say that [Redacted] outlook on life, ability to get things done, and can do attitude is in part due to their accomplishments as Citadel Summer Camp campers...

Regards and see you on Graduation day,

Subject: Re: Early Arrival of Summer Campers

Got your information on [Redacted]

Clothing forms will be no problem.

Understand Medical Forms are on the way.

This year we have determined that we have to charge an extra fee for campers who arrive early. The college charges the camp for the barracks space and board on a daily basis.

Based on [Redacted] arriving on Friday June 14, we must ask for an additional $75 for each child to cover these expenses.

Thanks for your help and understanding.

MY FAVORITE COUNSELOR IS...

is an excellent counselor. I am a boy so I can’t be in her section, but all I hear about her is compliments. I also know she is a good counselor because she is a good instructor for the Color Guard. She is just patient enough so that we are not tense, but she is also strict enough that we accomplish our daily goals. I think is a skilled and beautiful teacher that deserves some things for all that she does!
- , HOTEL

is the coolest person. He understands people and their problems. He is really funny and just a nice guy.
- , JULIET

, WOW! Each time I go to an activity and see his bright, beautiful smiling face, I know that I am going to have a great time. Even though I don’t have a lot of interaction with him, I can tell that he is a well liked counselor. His character shows that he loves being around the campers. personality is one of the best ones ever! Overall, he is a gorgeous man, having a great time. I think that is wonderful!
- , JULIET

is a counselor in Hotel. He keeps us in line when we are marching and eating at mess. He is a very mysterious guy and doesn’t talk much. He likes to hang out and have fun!
- , HOTEL

My favorite counselor is because she is like a mom to me. She is like a mom because she cares about me and my friends. Miss Shay is also very talented because she has fun with you, laughs with you and tries to make everything fun. But the BEST part about is that she always has a smile on her face.
- , JULIET

is my favorite counselor. I like all the counselors, but is THE BEST! He really shows appreciation when we win at intramurals and room inspection. He also encourages us to try harder and to do our best. He never puts us down and he treats everyone as equals.
- , DELTA

I think , Head Section Counselor for Juliet section, should receive the “Best Counselor Award.” is a cadet at The Citadel and teaches our section very important life lessons. She sets very high standards for our section, helping us become the dominating section. Even on her days off, is with us, encouraging us in sports. All of the campers have a lot of respect for her; as a counselor and as a friend!
- , JULIET

Of all of my counselors over three years of summer camp, has been my favorite. This is my last year and I look up to my counselors as role models. Next year, I will be a CIT and I hope to be a good one that campers look up to. I want future campers to admire me as I admire Her attitude is completely focused and calm. She is always understanding and stern enough that campers like her AND obey her orders. As a future counselor, I hope to be like and have my campers WANT to be good! Thank you
- , JULIET

Out of all of the counselors here, is, in my opinion, tough and fair. He is very tough when it comes to marching and getting Mark Clark Award points for it. He is also easy to get along with. He is not too tough, but can be when needed. He is very picky about uniforms and marching. is very good at keeping us out of trouble and he is a very good counselor.

RETREAT
by JULIET

Everyday before dinner, each section marches out to the parade field to retreat the American Flag. A small cannon is activated by a camper and everyone is called to attention. Each section salutes the flag as it is lowered from the pole. Throughout Retreat, each section tries to march together and look their best. The staff members evaluate each section on their formation and marching skills. At dinner they announce the winners of the graded performance. Retreat is a good way of reflecting a section’s performance while paying respects to our country.

LEADERSHIP
by INDIA

What makes good leadership...Looks? Brains? I think what makes a good leader is self-confidence and the desire to succeed. To be a good leader, you have to be able to follow others. In a time of crisis, a good leader does not panic. He or she thinks then tries to solve the problem. Being able to see both sides in an argument is another good sign of leadership. Always remember to follow your heart and listen to others.

FRIENDS FOREVER
by JULIET

This is my last year at The Citadel Summer Camp. For three years I have watched friendships bond between people from all over. Playing sports, eating, and sleeping with other campers forms a tie that can't be broken. I have kept in touch over the years with people that did and did not come back. I have loved making friends with people completely different than me. Over time, I hope to stay friends with everyone and keep that special friendship that was made because of

THE BEACH TRIP
by INDIA

After all of the other companies marched out for afternoon activities, Hotel and Golf got on two busses for a trip to The Citadel Beach House. When we got to the beach, there was a bathroom where we changed into our bathing suits. After changing, it was time to swim. We all ran out to the beach, jumped over the breaking waves and started to play around. The current was very strong at the time so we had to stay in shallow water. After a while, said the ocean was getting to wild and that we had to get out. Shortly after getting up to the beach house, a “slip and slide” was set-up. We put baby shampoo on the mat to make it slippery when we slid on the surface. Later that afternoon, a buffet of hamburgers, chips and cookies was laid out on several tables. We had a great dinner, told some jokes and shot some games of pool. On the way back, we listened to good music and most people took a small nap. Overall, I would say the beach trip was a success...two thumbs up!
TRIBAL DANCE
by [REDACTED] HOTEL

My name is [REDACTED]. This is my 6th year at The Citadel Summer Camp. This year was unique, we had a tribe of Boy Scouts come and perform Indian dances for us. The tribe was very interesting and the performance took lots of practice and determination. The Camp should feel very privileged because they came all the way from [REDACTED].

JULIET SISTERHOOD
by [REDACTED] JULIET

This is my third and last year of being a camper at The Citadel Summer Camp. The main thing that made me come back each year was the friendship and love within my section, Juliet. In Juliet this year, there are 27 girls. Each one of these girls will always have a place in my heart for the rest of my life. Having this experience with these girls each summer has shaped my character and disposition. I just wanted to thank Juliet for making my last year, and the years before, unforgettable. I love you!

SCOTISH PRIDE
by [REDACTED] HOTEL

Hotel camper [REDACTED] is best known around camp as “Pipes” for his talent of playing the bagpipes. The bagpipes, also called Scottish War Pipes are used in Scottish wars. They originated in the Middle Eastern part of the world and migrated to Scotland. Nowadays, the bagpipes are the main instrument in Scotland.

Bagpipes have different parts. They are made from African Black Wood, a very strong type of wood. The bag can be made of either Gorex, cowhide, or sheep stomach. [REDACTED] is the camper that plays the bagpipes. It took him about 10 months to learn how to play it. Currently, he has been playing for 2 1/2 years. He can play popular songs such as Scotland the Brave, Amazing Grace, The Marine Corps Hymn, and America the Beautiful. [REDACTED] plays his pipes at intramural games, during marching, and for the Variety Show. [REDACTED] is also 75% Scottish, so his skills at the bagpipes and his knowledge of them really impresses everyone. So, if you saw or heard bagpipes at the Graduation, just know that it is the man that holds the pride of Scotland here at this camp, [REDACTED].
MEMORIES
by JULIET
This is the best camp ever! This is my 5th year, but not my last. People come and people go, but you will always remember the fun you had with them. As I see the familiar faces, I look back and think of all the memories. There is only one other girl that has been here with me every session and now she is the first girl six-year camper. She and I have had many memories that I will not forget. As we stand on a line getting ready to get our pins, I will look at her and smile.

LT. FELTS
by DELTA
It is a very special opportunity to get the chance to be around such a wonderful person like DELTA. She is a very nice, warm, and caring person. Over the past few weeks, and I'm sure throughout this summer at the Citadel, she has proven herself to be a hard-working gal. With her cheery curls and happy smile, she is sure to brighten up anyone who comes in contact with her. I know I can say that her presence will definitely be missed if she does not come back next year. When you need some help with something or just someone to talk to, she is there. This is why I can say that DELTA is my favorite out of everyone here at camp!

THREE WEEKS OF CAMP
by DELTA
I always wonder in the first week of camp if I will be back next year because the first week is so hard. The second week, it gets easier. Everyone starts to get into the groove of things. The third week keeps me coming back. It is so much fun and is the best week of my life and I hope it stays that way!
